FLEX-HUTCH™

Each Flex-Hutch can house two or three calves depending on your choice of configurations. The Flex-Hutch can be placed directly on the ground or on an elevated base to optimize drainage and improve efficiencies during chore time. The sturdy plastic construction is easier and less expensive to maintain than wooden hutches while lasting up to four times as long, saving you time, money and headaches.

- Fits 2 or 3 calves with changeable inner panels
- Cleans and sanitizes easily, so you can put it back in service with zero downtime
- Simplifies daily chores such as bedding, feeding, watering and cleaning
- Provides shelter against all types of weather
- Place directly on ground or optional Flex-Floor to optimize drainage
- Adjustable, hinged Flex-Roof Cover™ opens in one easy movement
- Adjustable rear door allows single-motion ventilation control
- Unit includes 10-quart bucket; Bottle holders are optional

The Flex-Hutch can help your operation run smoothly and efficiently and provide a healthy shelter for your calves. Protected by a 10-year limited warranty. For more information and complete specifications, visit CalfHutch.com.
